

JANUARY 2018

Brookwood
PRESCHOOL ACADEMY

We hope your holidays were wonderful, exciting, full of great memories, and a little restful.

We appreciate everyone who attended our Christmas program on December 5. The children were so excited to show you what they've been practicing. We're very proud of each of them and excited about this New Year.

We have a few reminders for you:

- Please send your child to school properly dressed for the weather of the day (ex: coat, hat, mittens), making sure that each piece of clothing is labeled. Unless it is bitterly cold or raining outside, we'll go outside. Your children need to get their wiggles out and so do we!
- If we send home soiled clothing, please send fresh clothing back along with any borrowed clothes the following day.

Registration

Re-enrollment packets for current children have been sent home. Your paperwork is due back on or before Friday, January 5, 2018. Registration for Brookwood attendees will be Sunday, January 21 and for the public Monday, February 5.

January Holidays

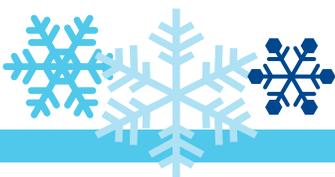

Our part time 9 am–1 pm children will be out of school on Monday, January 15. This is the public school, Martin Luther King Day holiday.

Inclement Weather Policy

In case of inclement weather please listen carefully to our local radio stations or TV channels 4, 7 or 21, to see if Brookwood Church is going to be open, delayed or closed. We will be listed as Brookwood Church/Brookwood Preschool Academy. You can call the church at 864.688.8200, and choose Option 1, or visit brookwoodchurch.org/weather. If Brookwood Academy is delayed or closed, part time (9 am–1 pm) children will not have school.

Backpacks

We need your help sending in empty backpacks. Please leave all of your child's toys at home or in the car. Personal toys tend to cause problems between friends. We would not want the toys to get lost or broken. Also, full time children may bring in one small lovey and one small blanket if needed for naptime only.

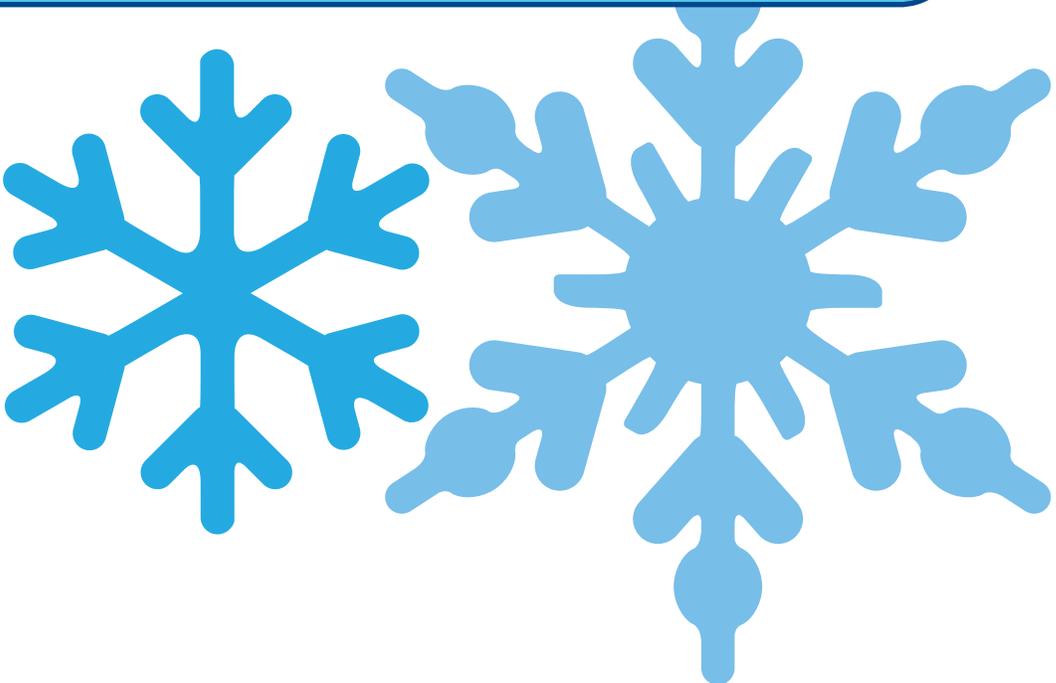

Carpool

A few reminders about the carpool line. When you are in line, please refrain from pulling away from the curb before the cars ahead of you. This will hopefully stop any accidents (car or people) from happening. Your child will be waiting outside, so please dress them appropriately for the weather. Please refrain from using your cell phone while in line once we have begun to load.

Teacher Training Conference

We are taking 10 of our staff members down to Myrtle Beach for the South Carolina Early Childhood Association conference on January 25–27. Our staff is required to attend 15 hours of continuing educational classes each year. At this conference they'll attend classes and meet with other teachers in our state to learn new ideas and ways of teaching. We are always excited to bring new concepts back to our classrooms.
