

MARCH 2017

It's that time of year when everyone wears green and has a touch of Spring Fever!

During the month of March the children may be learning about: spring, farms, St. Patrick's Day, butterflies and insects. Our shape for the month is oval and our color is green.

Remember even though spring is almost here, we'll still have some cool if not cold days. Please send your child to school dressed appropriately for the weather of the day.

Calendar of Events

- March 12 Time changes – Spring ahead!
- March 17 Green Day – Wear green today.
- March 23 Donuts for Dads.
- April 10–17 Spring Break for part time children.
- April 17 Academy closed – Happy Easter.
- May 23 4K graduation.

Registration

Thanks to all of you who signed up with us for next year! We have very few spots left. What a great compliment! Again thank you.

Tadpole

We hope you are enjoying our new Tadpole program as much as we are. We feel that this has helped communications and allowed you to see pictures of your child's day. If you are still having trouble receiving information from us through Tadpole, please stop by the office and let us know.

Donuts for Dads

Please join us in Pod B big room with your child for a donut 7–9 am.

Parent/Teacher Conferences

Teachers with children ages 2 and up will be holding Parent-Teacher conferences during the month of April. Please watch for information from your teacher about your child's conference time.

Clothing

Please keep in mind that Brookwood Preschool Academy believes that children learn through play and art. Save their special outfits and shoes for special occasions. While at school your child will get messy, and they will get dirty. We call that a good day!

Parking Lot Safety

Please drive slowly when you're in the Brookwood parking lot. Also be aware of your child at all times and hold their hand.

Pick Up

When picking your child up from the classroom, please make sure the teachers are aware that you're taking your child home. They work really hard to always know where all of the children are at all times.
