

MARCH 2018

Brookwood
PRESCHOOL ACADEMY

It's that time of year when everyone wears green and has a touch of Spring Fever!

During the month of March the children may be learning about spring, farms, St. Patrick's Day, butterflies and insects. Our shape of the month is oval and our color is green.

Remember even though spring is almost here, we'll still have some cool if not cold days. Please send your child to school dressed appropriately for the weather of the day.

Calendar of Events:

- Sunday, March 11 Time changes – Spring Ahead!
- Thursday, March 15 Green Day...Wear green today.

Registration: Thanks to all of you who signed up with us for next year! We have very few spots left. What a great compliment! Again, thank you.

Tadpole: We hope you are enjoying our Tadpole program. We feel that it is a great communication tool. If you are having trouble receiving information from us through Tadpole, please stop by the office and let us know.

Donuts for Dads: Please join us in Pod B big room with your child for some donut holes 7–9 am.

Parent/Teacher Conferences: Teachers with children ages 3 and older will be holding Parent-Teacher conferences during the month of April. Please watch for information from your teacher about your child's conference time.

Clothing: Please keep in mind that Brookwood Preschool Academy believes that children learn through play and art. Save their special outfits and shoes for special occasions. While at school your child will get messy, and they will get dirty. We call that a good day!

Parking Lot Safety: Please drive slowly when you're in the Brookwood parking lot. Also be aware of your child at all times, and hold their hand.

Drop off/Pick Up: When dropping off/picking up your child up in the classroom, please make sure the teachers are aware of your child. They work really hard to always know where all of the children are at all times.

DID YOU KNOW?
You are born with 300 bones, by the time you are an adult you'll have 206!
