## **INDEPENDENT AUDITORS' REPORT**

Advisory Committee  
Brookwood Church  
Simpsonville, South Carolina

We have audited the accompanying financial statements of Brookwood Church, which comprise the statements of financial position as of September 30, 2016 and 2015, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Advisory Committee  
Brookwood Church  
Simpsonville, South Carolina

*Opinion*

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Brookwood Church as of September 30, 2016 and 2015, and the changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Notes to Financial Statements

September 30, 2016 and 2015

1. NATURE OF ORGANIZATION:

Brookwood Church (Church), organized in 1994 in Greenville, South Carolina, is a nonprofit organization operating as a religious organization under the laws of the state of South Carolina. The Church is dedicated to encouraging each other toward loving God and people by pursuing the priorities of the early church: Expressing Love to God, Serving Our Church and Community, Leading the Next Generation to Jesus, Taking Jesus to the World, and Forming Relationships for Spiritual Growth.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The financial statements of the Church have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

### USE OF ESTIMATES

The preparation of the Church's financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### CASH AND CASH EQUIVALENTS

Cash and cash equivalents includes checking accounts, savings accounts, and petty cash. While occasionally bank deposits may be in excess of federally insured limits, the Church has not experienced any losses in such accounts, and management believes that it is not exposed to any significant credit risk on cash and cash equivalents.

### BOOKSTORE INVENTORY

Inventory consists primarily of books and goods available for sale in the bookstore. Inventory is stated at the lower of cost or market value on the first-in, first-out basis.

### NOTES RECEIVABLE

Notes receivable are recorded net of any estimated credit losses. The Church's policy for determining when receivables are past due or delinquent is when a borrower is 10 days or more past due. The Church assesses finance charges against borrowers that are past due according to the terms of the note. The allowance for credit losses is maintained at a level which, in management's judgment, is adequate to absorb potential losses inherent from uncollectible receivables.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

#### PROPERTY AND EQUIPMENT

Items capitalized as property and equipment are stated at cost or, if donated, at fair value on the date of donation. The Church reports donations of property and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Church reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range from 3-39 years. The Church generally capitalizes and reports property and equipment acquisitions in excess of \$5,000.

#### CLASSES OF NET ASSETS

The financial statements report amounts separately by class of net assets.

*Unrestricted* amounts are currently available at the discretion of the advisory committee for use in operations. Equity in property and equipment represent amounts invested in property and equipment net of accumulated depreciation and related debt.

*Temporarily restricted* amounts are stipulated by donors for specific operating purposes or programs, with time restrictions, or not currently available for use until commitments regarding their use have been fulfilled.

All contributions are considered available for unrestricted use unless specifically restricted by the donor or subject to other legal restrictions.

#### REVENUES, EXPENSES, AND RECLASSIFICATIONS

Revenue is recognized when earned and support when contributions are made, which may be when cash is received, unconditional promises are made, or ownership of other assets is transferred to the Church.

The Church reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated amounts. When a stipulated time restriction ends or purpose restriction is satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as satisfaction of purpose restrictions. The Church shows restricted contributions whose restrictions are met in the same reporting period as unrestricted contributions on the statements of activities.

Donated goods (including securities, property, and equipment) are recorded at fair value at the date of the gift. The Church's policy is to convert donated securities to cash immediately upon receipt of the gift. The Church received gifts of donated stock totaling \$15,352 and \$14,830 during the years ended September 30, 2016 and 2015. These are included in operating cash flows on the statements of cash flows.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

REVENUES, EXPENSES, AND RECLASSIFICATIONS, continued

Expenses are recorded when incurred in accordance with the accrual basis of accounting. The costs of providing various program services and supporting activities of the Church have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

UNCERTAIN TAX POSITIONS

The financial statement effects of a tax position taken or expected to be taken are recognized in the financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are included in expenses in the statements of activities. As of September 30, 2016 and 2015, the Church had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

RECLASSIFICATIONS

Certain amounts from the prior year financial statements have been reclassified to conform to the current year presentation.

3. NOTES RECEIVABLE:

Notes receivable are recorded net of allowance for credit losses, if applicable, and consist of:

	September 30,	
	2016	2015
Non-interest bearing note receivable from the purchaser of land previously held for sale by the Church. The note was issued in August 2013.	-	50,000
	<u>\$ -</u>	<u>\$ 50,000</u>

Management has not recorded an allowance for credit losses as it believes all amounts will be fully collected from the borrowers.

## Notes to Financial Statements

September 30, 2016 and 2015

8. EMPLOYEE BENEFITS:

The Church participates in a national retirement plan provided and administered by GuideStone Financial Resources. All pastors and full-time employees are eligible for the program. The Church makes contributions on behalf of eligible employees based on a percentage of their salary. The total retirement expenses for the years ended September 30, 2016 and 2015, were \$110,816 and \$106,214, respectively.

9. RELATED PARTY TRANSACTIONS:

During the years ended September 30, 2016 and 2015, the Church had services performed by a company owned by a trustee of the Church. Payments made to this company during the years ended September 30, 2016 and 2015, totaled \$4,967 and \$27,981, respectively.

10. RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS:

The Financial Accounting Standards Board (FASB) recently issued an accounting standards update to the *Statement of Cash Flows—Overall—Other Presentation Matters* topic of the Accounting Standards Codification (ASC). The amendments in this update require classification of cash receipts from the sale of donated financial assets (e.g., debt or equity instruments) by a not-for-profit that, upon receipt of the donated financial assets, are directed for sale without any limitations and are converted nearly immediately into cash as (1) operating cash flows, or (2) if the donor has restricted the use of the securities to a long-term purpose, as financing cash flows. The amendments require classification as investing cash flows of all other cash receipts resulting from the sale of debt and equity securities not meeting the foregoing conditions for classification within operating or financing cash flows. The amendments are effective for fiscal years beginning after June 30, 2013.

11. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through the report date, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
