

Lord's Supper Guide

Sunday, January 29

Pastor Perry Duggar will lead us in sharing the Lord's Supper during the online service on Sunday, January 29. This guide will prepare you to participate individually or with family and friends.

What is the Lord's Supper?

The Lord's Supper is an intentional time of remembering Christ's sacrifice for us. It's a clear reminder of the new life Jesus offers through His death on the cross for our sins. Jesus initiated this time of remembrance with His disciples ([Matthew 26:26-29](#)), giving us an example to follow.

Why do we participate in the Lord's Supper?

The Lord's Supper is shared to remember what Jesus has done, to remind us that we have accepted the gift of His death, and to look forward to His return. The food is a reminder that Jesus' body was broken for us. The drink is a reminder of Jesus' blood that was poured out for our sins. We celebrate the Lord's Supper to strengthen our faith and to proclaim to each other and the world the good news that Jesus Christ has come and will come again.

Who participates in the Lord's Supper?

Those who participate in the Lord's Supper are affirming that they have accepted Jesus' death as a sacrifice for their sins. Only those who have placed their faith in Jesus as their Lord should partake of the food and drink elements.

How do we do the Lord's Supper?

Scripture gives us guidelines in [1 Corinthians 11:23-29](#) for the giving and receiving of the elements of the Lord's Supper.

1. Prepare the elements before watching the online Sunday service.
 - a. Select your food and drink items like bread, crackers, or chips and any beverage.
 - b. The focus of your heart matters more than the elements you choose.
2. Examine your life to:
 - a. Affirm that you have a real, transformative relationship with Jesus.
 - b. Confess any sin to God.
 - c. Rest in the forgiveness of God, remembering our ongoing need for the grace of Jesus.
3. Be sensitive to those who may not have a relationship with Jesus.
 - a. Explain that the Lord's Supper is for those who have surrendered their lives to the Lordship of Jesus. The Lord's Supper does not bring salvation, but it's a way to affirm that we've been saved by trusting in Jesus and His sacrifice for us.
 - b. Pray privately for your children or friends to accept that Jesus' sacrifice was for them.
 - c. Use this opportunity to teach your children about the good news of Jesus. [Exodus 12](#) is a great place to share the story of the Passover and Jesus as our perfect lamb.
4. Eat and drink the elements of the Lord's Supper when guided to do so.
5. After the service:
 - a. Thank God for what He has done for you, resting in the finished work of Jesus Christ.
 - b. Celebrate together the forgiveness we have in Jesus.
