

## Family Talk – Cooperating with God’s Work

### READ TOGETHER

---

#### Genesis 3:6-9

1. What stands out to you from these verses?
2. Do you think Adam and Eve did what they thought was right?

### LIVE IT

---

When we hurry, we can forget to ask, *WHY?* When we act hastily, we may later discover our idea was a bad one, and now we’re stuck. There’s no shortcut for good communication. Communication is what helps us understand each other. We can’t rush that.

Take time to communicate. When’s the last time you talked to someone without a goal in mind? Have conversations with others around you and show interest in how their life is going. Imagine what would have happened if Adam and Eve stopped what they were doing and asked God something like this: *We know You told us before, but help us understand WHY we shouldn’t touch or eat the fruit of this tree?* There’s always someone willing to communicate with you, are you open to doing the same?

### LEAN ON GOD

---

Dear God,

Thank You for this day. Thank You for having all the time in the world to listen and speak to each one of us. You’re the great communicator. Help us become more like You in that way. Thank You for the abundant love You give us. Amen.
