

NOVEMBER 2023

Brookwood
PRESCHOOL ACADEMY

Oh, Fall...it is beautiful! Your children were very busy last month. They learned about cats, spiders, creatures that come out at night and firefighters. The firefighters visited us, and we know they're our friends. We finished it all up with a fall festival and Trick-or-Treating.

In Class this Month

Thanksgiving is just around the corner. During November, your children may learn about turkeys, pilgrims, Indians, and what makes them thankful. Your teachers will send home any important classroom dates, so look for their calendars and newsletters.

Registration Packets

Packets will be coming home soon. Please take a moment to complete and return them to us by Monday, December 4. This includes registrations for any siblings who aren't currently in our program.

Weather

With the temperatures getting cooler, please be mindful of the daily weather. The children do go outside one to two times each day. Coats are sometimes needed, so please remember to send them with your child. Please write your child's name in their coat so we'll know it belongs to them if it's misplaced. If you haven't sent in warmer clothes for your child to keep here at school, now's the time to do this.

DID YOU KNOW?

Turkeys can live to be 10 years old!
Males are bigger than females and
the males have a beard! It's very
course hair...not feathers!
