

## Family Talk – Remember God’s Promises

### READ TOGETHER

---

#### 1 Peter 1–11

1. If you’re a soccer player, do you show up at the field in football pads and a helmet?
2. If you’re a dancer, do you arrive at the studio in soccer cleats?
3. If you say you’re a follower of Christ, do your actions match who He is?

### LIVE IT

---

Christ forgives. Because He forgives and loves us, He doesn’t command us to live a life of moral excellence with knowledge, self-control and endurance. Instead, He calls us to it. He loves us to it. He is the cheering parent who’s there whether we win or lose. But He is there, seeing if we can try so that when we love, everyone sees Him.

Make every effort to read this passage and see that He is there with His arms wide open to embrace you into a different life with *wonderful joy ahead*.

### LEAN ON GOD

---

Father,

Help us walk a journey where we resemble You more closely each day.

In Jesus’ Name,

Amen
