

July 5th Activity

Feeding the Lions

What You Need: Round bucket or basket; orange and yellow streamers (or paper); and beanbags or balls (foam or soft texture).

What You Do:

Before the Activity: Turn the basket on its side where the opening is to the side. Wrap the streamers or paper around opening of the basket to hang down like a lion's mane.

During the Activity: Have the children stand about eight feet in front of the basket. Give the children the beanbags or ball and challenge them to toss them into the basket. Everyone gets a turn to toss the beanbags/ball into the basket.

What You Say:

Before the Activity: "ROAR! There is a lion in our room." (*Point.*)

During the Activity: "Let's feed our lion. (*Hold up beanbags/balls.*) Let's toss them into the lion's mouth." (*Do activity.*)

After the Activity: "Great job! Our lion is fed and happy. Today in our Bible story, we will hear about lions. I cannot wait to hear our TRUE story from the Bible!"
