

NOVEMBER 2024

Oh, Fall... it is beautiful! Your children were very busy last month. They learned about cats, spiders, creatures that come out at night and firefighters. The firemen came to visit us, and we learned that they're our friends. We finished it all up with a fall festival and Trick-or-Treating.

In Class this Month

Thanksgiving is just around the corner. During November, your children may learn about turkeys, pilgrims, Indians and what makes them thankful. Your teachers will be sending home any important classroom dates, so be looking for their calendars and newsletters.

Registration Packets

Packets will be coming home soon. This includes registrations for any siblings who aren't currently in our program.

Weather

With the temperatures getting cooler, please be mindful of the daily weather. The children do go outside one to two times a day. Coats are sometimes needed, so please remember to send them with your child. Please write your child's name in their coat so that we'll know who's it is if it gets misplaced. If you haven't sent in warmer clothes for your child to keep here at school, now is the time to do this.

DATES TO REMEMBER
