

Family Talk – Hope

READ TOGETHER

Isaiah 42:1–4

1. What stands out to you from these verses?
2. What does *hope* mean to you and your family?

LIVE IT

It seems like we've all had challenges this year. School schedules changed, people lost jobs, and some have lost loved ones. Your family might be going through a difficult time completely different from your neighbor. What's helping you move forward? When life isn't going well, or even when it is, are your eyes on Jesus?

If you or a family member is struggling to find hope, stop and pray right now. Ask God to give you hope. He is in complete control. (Ask God to bless your neighbors with hope too.)

LEAN ON GOD

Dear God,

Thank you for this day. You alone are in full control. This year does not control You, but You own it. You are our source of hope and the only hope we need. I pray that we keep our eyes on You. Amen.
