

Family Talk – Connections

READ TOGETHER

Colossians 4:7-18

1. Paul talks about several believers in this closing passage. He speaks so favorably of them we could say they are like his *faith-family*.
 - a. Identify each of the people who Paul praises.
 - b. What is admirable about each person?

LIVE IT

Even though Paul was in prison, he still hung out with a community of believers. (For further reading on the early church and community, read Acts 2:42-47.)

Who makes up your community? Who do you rely on when you feel bad? What comfort/benefit do you think is found in community with a *faith-family*?

LEAN ON GOD

Dear God,

We are so thankful that we can rely on You and others to help us through tough times. You are always with us, and You invite us into community with other believers. Help us practice honesty and openness with our *faith-family*. Thank You for every blessing You have given us.

In Jesus' name,

Amen.
