

## Family Talk – Idolatry

### READ TOGETHER

---

#### 1 Samuel 5:1-5

1. We get a unique picture of God in the story of the *battle* between God and Dagon, the god of the Philistines. What stands out to you in this story?
2. As you hear or read this story, what does it make you think about God? How should it change how we worship Him?

### LIVE IT

---

Stories like this help us understand God's supremacy. There are no other gods above Him. This story of the Ark of God in the temple of Dagon is a great reminder of how God is not just *our* God, but The God regardless of who people choose to worship.

Take some time to reflect on how God is the one true God. He is truly the King of Kings and the Lord of Lords. There is no one like Him.

### LEAN ON GOD

---

Dear God,

There is no one like You. We celebrate You today. We are so thankful to know that no one will ever compare to You and we can place all of our trust in You.

We love You.

Amen.
