

Family Talk– Passion in Marriage

READ TOGETHER

Parents we recommend reading this yourself before reading with your children.

1 Corinthians 7:1–9

How can I honor God with my life whether I am single or married? What does physical intimacy have to do with my relationship with Christ? What does Paul say to men who don't have a wife or women who don't have a husband? To married couples?

LIVE IT

Paul states clearly what we are to do. Our number one passion should be to put God first in our lives, and what He desires. Being part of a Christian marriage can teach us self-control and how to manage our passions.

LEAN ON GOD

Dear God,

Let us see Your purpose in every phase of our lives.
Help us see the beauty of all that You've given us.

In Jesus name,

Amen.
