

Family Talk – Family Relationships

READ TOGETHER

Colossians 3:18-21

What did Paul ask wives, husbands, children and fathers to do?

What can make it difficult to do what Paul says?

LIVE IT

If husbands love their wives and never treat them harshly and wives submit to their husbands, how does that impact their family? If children see Mom submit to Dad are they better at obeying? If they witness the consistent love and kindness of their Dad to their Mom, are they less aggravated and discouraged?

As a family, name one thing you can each do to carry out the specific instructions Paul shared.

LEAN ON GOD

Dear God,

Thank you for your instruction today. Help us love each other as is fitting for those who belong to the Lord. Change us from the inside out so that we can submit, love, obey and be encouraged by You and through You.

In Jesus Name,

Amen
