

Family Talk – Asking

READ TOGETHER

1 Samuel 1:1-28

1. Hannah felt great sorrow. She was taunted and made fun of by Peninnah because Peninnah had children and Hannah didn't. How is this scenario familiar today?
2. God hears and ultimately answers Hannah's prayer for a child. Read together Matthew 7:7-11. How do these verses apply to Hannah? To us?

LIVE IT

The Bible repeatedly shows us that God hears and answers prayers. Paul encourages us in Philippians 4:6 *don't worry about anything; instead, pray about everything.*

As a family, take time together to form a prayer list. Pray over this list aloud together. Determine a time in your weekly schedule to meet, update the list, share any answered requests, and pray together.

LEAN ON GOD

Dear God,

We are thankful that You hear our prayers. I ask that You would develop the fruit of patience within us as we seek to trust Your timing in all things. Your grace and Your mercy are astounding. We celebrate them today!

We love You.

Amen.
